Every human being is a divine being—
Truth itself,
Infinite life itself,
Shining radiantly.

We are connected with,
And perfectly integrated with,
All living things
And divinely created nature.

In the divine realm,
The world is originally at peace.
We are here to manifest this truth
In this present world.

May peace prevail on Earth.
May peace prevail on Earth.

May our missions be accomplished.

Global Peace Meditation and Prayer

Creation of the Universe

When we quiet our mind and pray, we feel the prayers of all living things.
Our prayers become the energy of love and healing, embracing the Earth, humanity,
and all living things, and bringing all back to life.
The creation of a new planet Earth begins.
Even when human beings forget to pray, the earth, the seas, the mountains, and all
living things go on praying
For the time when humanity will awaken.
When we quiet our mind and pray, we feel the prayers of all living things.
Our prayers become light, illuminating the divinity in each and every human being.
At that time, the Earth, humanity, and all living things become one, and a new
universe begins.

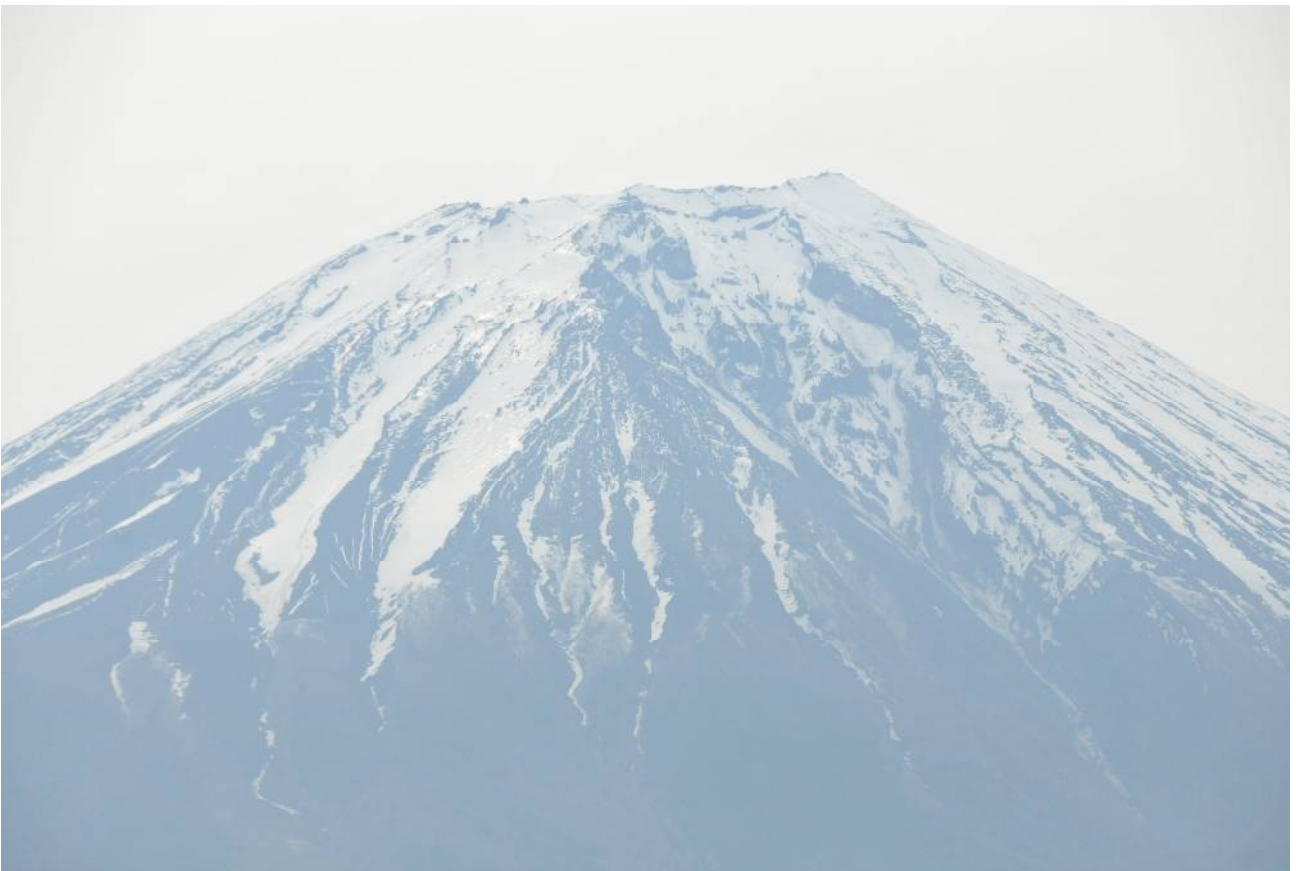

Closing speech by Yuka Saionji

Finale

May Peace Prevail on Earth.
